

From heartbreak to high spirits

ADVENTURE IN AMSTERDAM

FRIDAY

Check in at your hotel and check out the classic sights of Amsterdam. Grab a tasty pastry and coffee at Bakkerswinkel. Walk through the historic city centre, the Red Light District, Bloemenmarkt (the Amsterdam Flower Market) and along the canals (local favourites: Herengracht and Keizersgracht).

Tonight, it's time to party!

SATURDAY

Start with fresh stroopwafels at Albert Cuypmarkt, one of Amsterdam's best street markets. Admire the murals in De Pijp, a cooler modern part of the city. Head to Museumplein for a dose of culture (check out one of the museums) and do as the locals do (drink wine on the grass outside). Walk around Vondelpark (most famous and a beautiful park). For a beer, head to Gollum for the beer selection as well as atmosphere. Otherwise, head to the secret bar in the back of the Butcher for cocktails.

SUNDAY

Start with a classic brunch at The Breakfast Club and then do as the locals do – rent a bike and cycle around the city, taking in the sights and sounds (and do some people watching).
